Working in partnership with

These specification details do not apply to any particular product which is supplied or offered for sale. Manufacturers reserve the right to vary their specifications, including colours, with or without notice and at such times in such manner as they think fit. Major as well as minor changes may be involved. Every effort, however, is made to ensure the accuracy of the particulars contained in this brochure. Consult the dealer with whom your order is placed for details of the specifications of any particular product. This publication shall not constitute in any circumstances whatsoever an offer by the Company to any person. All sales are made by the Distributor or Dealer concerned subject to and with the benefit of the standard Conditions of Sale and Warranty given by the Distributor or Dealer, copies of which may be obtained from him on request. This publicity material applies to the UK only Trade Descriptions Act (1968). Whilst efforts are made to ensure specification accuracy, brochures are prepared and printed several months in advance of distribution and consequently cannot always immediately reflect either changes in specification or in some isolated cases the provision of a particular feature. Customers are always advised to discuss specification details with the supplying Dealer especially if your selection is dependent upon one of the features advertised.

For the Love **of the Road**

TRAVELLING TO DISTANT LANDS, SEEING NEW SIGHTS AND MEETING NEW PEOPLE MAKE UP ONE OF THE GREATEST PLEASURES TO BE FOUND IN MOTORCYCLING. HONDA'S IMPRESSIVE LINE-UP OF TOURING MACHINES GIVES YOU AS MANY DIFFERENT WAYS TO ENJOY THOSE SIGHTS AND SOUNDS AS THERE ARE MODELS TO CHOOSE FROM.

From our luxurious touring flagship, the Gold Wing, to the intelligently integrated Deauville and our uniquely appointed XL1000V Varadero, each Honda tourer offers its own satisfying combination of performance, style and comfort to carry you to the far corners of the world and bring you safely home again. And with a wide assortment of optional accessories specially designed for each model, Honda's touring bikes can be custom-equipped to provide even greater convenience and enjoyment on whatever roads you ride to the horizon. On a Honda touring bike and that beckoning road, getting there is more than half the fun.

GOLD WING GL1800 ABS

Riding with the King

NOT MERELY THE BIGGEST, BUT THE BEST IN EVERY WAY, HONDA'S WORLD-WANDERING GOLD WING SETS THE STANDARDS FOR LUXURY, COMFORT AND QUALITY YEAR AFTER YEAR, MILE AFTER MILE.

A lot of folks may talk about the King of the Road, but there's really only one, and you're looking at it - the incomparable Gold Wing. Much imitated, but never equalled, the 1800cc 6-cylinder Gold Wing provides the ultimate in performance, convenience and comfort for discerning riders with the unquenchable urge to roam. The Gold Wing's unique fuel-injected flat-six engine delivers prodigious power with silky smoothness and assertive response, and its beautifully contoured travel trunks offer carrying capacity that is second to none.

With new features like illuminated switches and ventilation holes for enhanced air management, and a long list of equipment features to maximise your riding enjoyment, the majestic Gold Wing makes your time on the road the most regal experience you can have on two wheels.

- HISS
- PGM-FI
- HECS3

New ventilation holes at the base of the windscreens enhance wind protection and reduce turbulence while contributing to cooler cockpit comfort.

Pillion passenger accommodations include a comfortably contoured seat rest, wide fold-down foot boards and more.

Fuel-injected 1800cc flat-six engine produces a smooth, exhilarating surge of acceleration while contributing to the Gold Wing's light and responsive handling.

Sharply tapered nose features brilliant dual-bulb 'piggy-back' multi-reflector headlight for both a narrow front profile and excellent night-time illumination.

THE HIGH-PERFORMANCE PAN-EUROPEAN MOVES THE CONTINENTAL TOURING EXPERIENCE TO UNPRECEDENTED LEVELS OF SEAMLESS COMFORT AND EXACTING CONTROL.

The phenomenal Pan-European takes long-distance sports touring into the realm of the masters. Designed to carry two in ultimate comfort for days on end, the Pan-European combines sleek and modern aerodynamic styling, the primal thrust of 1300cc of fuel-injected V4 power and a feather-light touch of taut, responsive control for a remarkable Super Sports level of performance in a grand touring machine. The new Pan-European comes with the option of Antilock brakes to complement its responsive Dual Combined Brake System, and also features the one-touch convenience of a motorised, push-button adjustable windscreen. ABS and Standard versions available.

With such power, performance, comfort, convenience and exciting style, is it any wonder that the inimitable Pan-European has become Europe's - and the world's - best-loved full-sized sports touring machine.

Masterpiece of the Touring Arts

Latest generation Dual Combined Antilock Brake System provides remarkably smooth and confident braking control over a wide range of road surfaces.

The Pan-European also features a well-considered range of optional accessories to enhance your touring enjoyment. Consult your Honda dealer for full details.

Comprehensive instrumentation provides an easy view of operating conditions, including ambient temperature, fuel consumption and other parameters.

Innovative, three-position height-adjustable ergonomically contoured rider's seat allows the Pan-European to be personalised for size and comfort.

ST 1300 PAN-EUROPEAN

Intra-Continental **Super Hawk**

AS HONDA'S LOW-ALTITUDE ROAD ROCKET, THE SUPER BLACKBIRD FLIES YOU AND YOUR PAYLOAD TO DISTANT LANDS WITH PINPOINT ACCURACY.

Like to get places in a hurry? Well, lock onto your target, open the throttle and let the Super Blackbird carry your touring payload. Powered by its high-revving fuel-injected 1,100cc booster rocket of an inline-4 engine, the Super Blackbird makes short work of long trips, yet provides such comfortable and capable performance you'll be constantly surprised at how fast and fresh you arrive at your destination. Control is light and responsive, with compact proportions and a rigid aluminium dual-spar frame that give the impression of a much smaller machine.

Ergonomics are roomy and comfortable, and provide plenty of space for a passenger and a few days of touring necessities. For your next intra-continental sports touring experience, leave it to the CBR1100XX Super Blackbird to get you there with time to spare.

HISS HECS3
PGM-FI DCBS

Programmed Fuel Injection and HECS3 catalyser systems ensure strong power, low fuel consumption and remarkably low exhaust emissions.

Sharply tapered nose features brilliant dual-bulb 'piggy-back' multi-reflector headlight for a narrow front profile and excellent night-time illumination.

Responsive Dual Combined Brakes with interlinked 3-piston callipers reduce ground speed in a calm, well-controlled instant.

THE VARADERO'S DISTINCTIVE STYLE OF ADVENTURE BECKONS YOU TO EXPLORE ALL THE FASCINATING NEW WORLDS OF DISCOVERY THAT LIE FAR OFF THE MAIN HIGHWAY.

In an expanding world of awe-inspiring new vistas, the mighty Varadero covers a lot of territory with the impressive strength of a conquering hero. Driven by a dynamic 1,000cc fuel-injected V-twin engine that delivers a smoothly controlled surge of power for dashes to distant horizons, the Varadero's imposing form and intrepid handling urge you on to greater glories.

The Varadero's formidable strength is also evident in its effortless two-up touring capability, and the ease with which it carries a big payload of luggage and travelling gear selected from its impressive list of optional accessories. Already ably stopped by Honda's exclusive Dual Combined Brake System, the Varadero now also features a new ABS version that provides an extra level of riding ease and confidence when traversing epic landscapes, or setting out to carve your own place in history.

Solid, long-travel hydraulic suspension provides a smooth ride with compliant handling.

Aggressive-looking dual high-mount exhaust system doesn't interfere with luggage attachment. Features built-in catalytic heat tubes for low emissions.

New ABS version complements the Varadero's Dual Combined Brake System with the smooth and confident control of Antilock Brakes.

Wide range of optional accessories includes detachable luggage and other equipment to extend your riding enjoyment. Consult your Honda dealer for full details.

Legendary Spirit of Adventure

XL1000V VARADERO / ABS

Unique in Every Way

WITH HEAD-TURNING STYLE, CORNER-CARVING PERFORMANCE AND A POWER DELIVERY THAT'S OUT OF THIS WORLD, THE VFR MAY JUST BE THE BEST OF ALL WORLDS.

There certainly isn't anything ordinary about the fabulous VFR. From its aggressively angular styling, to its breath-taking power delivery and impeccable Super Sport performance, the VFR takes sports riding and high-speed touring to exhilarating new levels of excitement. Its innovative V4 VTEC engine is a hallmark of Honda engineering excellence, delivering two distinct stages of impressive power output with a revolutionary high-rpm change in its valve configuration. Sleek, compact and quick through the corners, the VFR carries two in comfortable style, its highly refined chassis components ensure lithe and responsive handling.

Advanced Dual Combined Brakes - and a deluxe ABS version that adds the incomparable control of Antilock Brakes - provide stopping power on a par with the VFR's remarkable potential. For quality, performance and comfort, the VFR is in a class of its own.

Sharp, angular styling incorporates four headlights into a distinctive "V" layout that brilliantly illuminates the night-time road ahead.

Impressive dual under-seat exhaust system presents an aggressive form and an exhilarating V4 sound.

Wide selection of optional accessories includes quick-detach locking panniers and other equipment to enhance the VFR's touring enjoyment.

NT650V DEAUVILLE

Daily Commuter and Weekend Explorer.

WHATEVER SORT OF RIDING YOU DO, THE DEAUVILLE FITS THE BILL WITH LIGHT AND EASY HANDLING, EXCEPTIONAL CONVENIENCE AND SNAPPY PERFORMANCE THAT FEELS RIGHT AT HOME WHEREVER YOU ROAM.

A compact and sleekly styled urban commuter, the popular Deauville also doubles as a swift and full-featured touring machine that plays many roles with panache. Its slim proportions and light handling make quick work of congested mid-day traffic, while its beautifully integrated, aerodynamic bodywork provides both excellent protection against the wind and elements, and ample built-in carrying capacity for trips short and long.

The Deauville's 650cc liquid-cooled V-twin engine delivers a satisfying surge of power to get you up to speed quickly and smoothly, and its advanced Combined Brake System provides a reassuring balance of braking control to slow you back down again with unruffled ease. As a sporty midsize offering full-sized accommodations and enjoyment, the Deauville makes a perfect mount from which to share all the pleasures of the road.

Sure-stopping Combined Brake System features strong 3-piston front callipers for a superb balance of braking control.

Shaft final drive provides smooth quiet operation, and maintenance-free reliability.

Wide-coverage three-quarter fairing integrates large headlight and indicators into its distinctive aerodynamic form.

Elegant integrated panniers offer room for daily necessities or even a laptop computer. Capacity can be expanded with larger optional lids.

HSB

CBS

XL650V TRANSALP

A Versatile Performer with Big Appeal

THE ADVENTUROUS TRANSALP LIVES UP TO ITS NAME WITH WELL-ROUNDED PERFORMANCE AND EXCEPTIONAL VERSATILITY TO CARRY YOU ANYWHERE YOUR HEART LEADS.

A legend in its own time, the incomparable Transalp features a slim and nimble form, and go-anywhere capability that sets the pace for enthralling touring adventures. Crossing town or crossing continents, the Transalp's broad, comfortable seating, long-travel suspension systems and dual-sport tyres confidently soak up the bumps and ruts while providing a luxurious high-speed ride. Its slim and powerful 650cc V-twin engine delivers an impressive blend of power and torque for strong and smooth acceleration that climbs mountains and flies down motorways with equal ease.

Travelling solo or sharing your trip with a friend, the Transalp's unique combination of friendly style and rugged reliability opens doors to new worlds of riding delight that stay with you until long after the day is done.

Rugged cast aluminium rear carrier designed to carry a large-capacity top box while doubling as a handy pillion grab rail.

Integrated front fairing features large multi-reflector headlight and beautifully designed easy-recognition instrument panel.

HSS

Available low-profile seat - lower by 30mm - provides a more comfortable and confident reach to the ground for shorter riders.

Genuine Honda Accessories

To express your individuality and meet your own particular needs, a range of specially designed Genuine Honda Accessories has been researched and stringently tested to the highest standards. And since they're Honda approved, you'll know that they're just as tough and well made as your Honda motorcycle. For details of the range available contact your Honda dealer.

Illustrated are a selection of Genuine Honda Accessories. For further details on the full range of Genuine Honda Accessories contact your local Honda dealership, visit www.honda.co.uk or call 0845 200 8000

Options

Genuine Honda Accessories

Cargo Net
 Nylon net to secure luggage to rear carrier and/or pillion seat. Available in black.
GL1800 Gold Wing

Deluxe Panniers/Trunk Inner Bags
 Set of three, black, luxury inner bags, engineered from quality fabric to fit in the Gold Wing luggage system. Multi-purpose, with carrying handles, and Gold Wing logo embroidered on front pocket. Approximately 150 litres capacity. Comes with adjustable shoulder strap and carrying handle.
GL1800 Gold Wing

Luggage

Protection

Chrome Side Stand
 3rd polished, double nickel, chrome-plated, side stand.
GL1800 Gold Wing

Chrome Front Under Cowl
 Chrome plate finished front under cowl, manufactured from an injection-moulded ABS plastic.
GL1800 Gold Wing

Chrome Front Mudguard Ornament
 Engineered from chrome, left and right hand side mouldings with central Gold Wing emblem. Not to be combined with front mudguard rail.
GL1800 Gold Wing

Tall Windshield
 Engineered for the Gold Wing, this polycarbonate windshield complements the motorcycle while providing added protection, 50mm higher than standard and WVTA (Whole Vehicle Type Approval) cleared.
GL1800 Gold Wing

Body Cover
 Manufactured from water-resistant, breathable fabric that allows the motorcycle to dry, and offers good protection from UV rays. A rope is included to tighten the lower edges to avoid damage in bad weather. Also there are two holes in the front so that a lock may be used. Displays Gold Wing logo.
GL1800 Gold Wing

Rear Speakers
 Waterproof speakers fit in pillion armrests and integrate with the standard audio system to offer premium sound quality.
GL1800 Gold Wing

CD Changer
 A Pioneer six CD player with electronic skid protection system and direct disc loading. Easily fitted and concealed under the trunk using a floating damper-type stay (must be purchased separately).
GL1800 Gold Wing

Head Set Kit - Open / Full Face
 With a boom microphone as well as an improved speaker configuration. Soft case construction with bass-port specially designed to reduce noise, interference and increase bass response.
GL1800 Gold Wing

Trunk Inner Light and Vanity Mirror
 Useful mirror and light to smarten up at journey's end. Harness required to fit.
GL1800 Gold Wing

Comfort

Pannier Set
 Two durable, plastic panniers that will hold one full-face helmet and more. The left hand is 38-litre and the right is 30-litre. To fit these panniers a stay set should also be purchased. A colour panel set and a replacement key set is also available.
XL650V Transalp

Top Box 45ltr
 Capacious top box giving space to store two full-face helmets and more besides. Lockable and detachable. Top box rear carrier and pillion backrest pad included. Colour coded to match your motorcycle.
ST1300 Pan-European

Pannier Set 35ltr
 Specially designed, aerodynamic, fully integrated panniers produced in matching colour. Pannier stays included.
VFR800

Top Box 45ltr - colour matched
 Box mounts on sturdy bolt-on carrier with locking quick detach system. Top box carrier, pillion backrest and top box mat included. Top box sub carrier must be purchased for fitting.
NT650V Deauville / XL650V Transalp / XL1000V Varadero / VFR800

Pillion Arm Rest Set
 Set of two polyurethane arm rests installed on the left and right hand side of the top box lid for even more pillion comfort.
ST1300 Pan-European

Luggage

Audio

Top Box 45ltr Inner Bag
 A resilient top box inner bag which protects its contents whilst offering a handy adjustable shoulder strap. The bag also features an expandable front pocket.
ST1300 Pan-European

Pannier Inner Bags
 Set of two fabric, pannier shaped, inner bags. Easily transferred using the handy carrying straps. Expandable front pockets. The two bags can be attached and carried as one using the shoulder strap.
ST1300 Pan-European

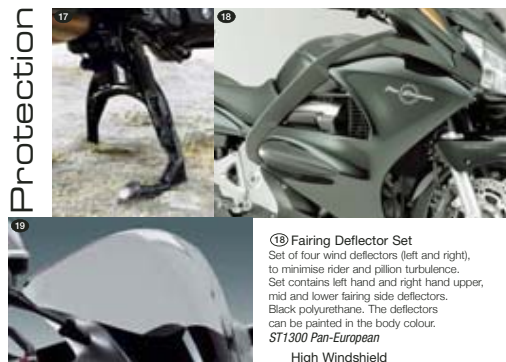

Pannier Inner Bag Set
 Set of two grey, strong nylon bags made to fit in panniers to give added protection. Handy carrying straps.
VFR800 / NT650V Deauville / XL650V Transalp / XL1000V Varadero

Headset Kit
 Engineered from a soft case construction with bass-port design to reduce noise interference and increase bass response. Can be used with an open and/or full-face helmet.
NT650V Deauville

RDS Radio
 RDS radio system that automatically changes reception frequencies to seamlessly follow favourite stations across the continent. Featuring a GA Net (Global Amusement Network) allowing the use of additional electrical equipment.
ST1300 Pan-European / NT650V Deauville

Speakers
 Pair of waterproof speakers 10W output.
NT650V Deauville / ST1300 Pan-European

Protection

Main Stand
 Conventional centre stand, providing optimal stability on variable ground surfaces, while facilitating rear wheel maintenance. No main stand grip required.
XL1000V Varadero

Fairing Deflector Set
 Set of four wind deflectors (left and right), to minimise rider and pillion turbulence. Set contains left hand and right hand upper, mid and lower fairing side deflectors. Black polyurethane. The deflectors can be painted in the body colour.
ST1300 Pan-European

High Windshield
 This high windshield is 5cm taller than standard, giving extra protection to the rider in bad weather conditions. This windshield is WVTA (Whole Vehicle Type Approval) cleared.
VFR800

Comfort

U-Lock
 Designed to offer greater security. Complete with tamper-resistant barrel and key. Easily stored under seat.
XL1000V Varadero / ST1300 Pan-European / VFR800 / XL650V Transalp / NT650V Deauville

AVERTO Alarm System
 Compact alarm unit with siren, immobiliser and movement detector. Low consumption sleep mode to protect the battery from drain. Easy and reliable installation by means of connectors and pre-wiring (included). Unscannable random-encrypted remote control radio signal. Thatcham Category 1 approved.
ST1300 Pan-European / XL1000V Varadero / VFR800 / NT650V Deauville

Security

Please note - Honda reserve the right to vary their specifications, including colours, with or without notice and at such times in such manner as they think fit. Customers are always advised to discuss their specific requirements with the supplying Dealer especially if your selection is dependent upon one of the Genuine Honda Accessories featured.

Key:

HISS

Honda Ignition Security System: Only allows the bike to be started by its original encoded keys to effectively protect against theft.

PGM-FI

Programmed Fuel Injection: Map-type computerised system maintains strong power and responsive performance in all conditions.

HECS3

Honda Evolutionary Catalysing System: Oxygen-sensing system maintains an optimal air/fuel mixture for the most effective catalytic reduction of exhaust emissions.

DCBS

Dual Combined Brake System: Provides an optimised balance of front and rear braking control under any combination of inputs.

CBS

Combined Brake System: Actuates both front and rear brakes when the rear brake pedal (or lever) is engaged, for a smooth and confident balance of braking control.
